

# Breaking Down Broadway

2022-2023

**Donna Ellis &  
Brian Morrison**

**Hands UP Productions**

**Are you** interested in interpreting theatre and not sure where and how to get started?

**Do you** want to improve your skills and sharpen your process when analyzing a script to perform the interpretation?

**If so...** then this is the forum for you!

## Breaking Down

**Broadway** is designed to be a ten-month "book club - like" exploration into theatrical interpreting. With this format, we will take one script and spend the extended time breaking it down, analyzing it for meaning and developing the interpreted performance.

**We will meet** every other month for three hours. In between meetings, you will be able to work on pieces of the script and will discuss it when we come back together as a group.

**In addition**, we will work with a video of the show in order to apply new interpreting strategies to create a rich performance interpretation.

All this will take place in a **safe, supportive, and FUN** environment!

**Providing high quality interpreting services for theatrical events**
